

Comment Form

Dear Emission Check Station Customer: We hope that your emission testing experience was satisfactory. The Emission Check stations are operated by a private firm for the Washington State Department of Ecology. Please mail your comments directly to Ecology at the preprinted address on the form. After writing your comments, please fold this form on the lines and tape it shut before mailing it. You may also e-mail your comments to fmer461@ecy.wa.gov or fax them to 360-407-0287. We appreciate your time and effort.

THANKS FOR BEING A PARTNER IN CLEANING OUR AIR.
